Why don’t you hear more about Louis Prima?

Geico commercials earn phrase (consider opposition) for
deadpan customer counterpointed by voluble celebrity.

Little Richard’s one! Keely Smith did the stoic bit
with Louis Prima eons ago. Prima gave a great show,wit

and driving music. My buddies and I rode various
rattletraps from New Haven up to Hartford’s
State Theater,holding on as most

live venues folded. “I eat antipasta twice
just because she is so nice,” piped hoarse Louis

re Angelina the pizza waitress. “Then I'll join
in matrimony with a girl who serves spumoni.”
Her beauty endures like Olympia’s.
